

# DAILY SWING TRADING GUIDE

OCTOBER 27, 2016

Afternoon ladies and gents. Different day, same story with the broad markets... a whole lot of nothing. But we did find one new signal that we are going to take tomorrow morning MOO. We are closing out of SNH. It took a big hit today and we are cutting our losses. The strategy remains open but we are going to close it out tomorrow MOO. That is detailed below. We look forward to seeing you guys tomorrow afternoon to wrap up the week.
